

Kenya Evangelical Mission
Christmas Newsletter 2016
From Lois Osborne

Dear Family and Friends,

Merry Christmas and Happy New Year. Many thanks and blessings from the KEM boards in Kenya and America!

In spite of sorrow of losing our beloved Hoyt, God continues to pour out His blessings on this ministry.

First, we want to again thank you for your prayers and giving which has led to the salvation of many, graduation of thirty-two pastors from our Bible Colleges, and many changed lives in our churches, camp, and our sewing, mechanic, and computer schools this year!

Money has been received for the completion of the Riley Kasosi Evangelical Church and we are also starting a small house on the compound for our Kangundo pastors so we won't have to pay rent any more when they are in the area.

As you know, Lois is in the States for a short visit with her family in Northern California, but there are less Sundays than sponsoring churches, so we are praying to be able to have some central meetings, and also that some of the Kenyan men can come in January to help. In the meantime, Lois will try her best to see as many people as possible. Pray that she can sleep at night. Right now she usually sleeps only a few hours at night.

Shadrack and the guys in Kenya are working hard to carry on the good work that God started (Phil. 1:6) until the day of Jesus Christ!

Wishing all of you a Spirit-filled Christmas and a Blessed New Year!
Lois, Shadrack, and David Doolittle, President of KEM in the US.
