

Kenya Evangelical Mission UPDATE
Lois Osborne, Missionary
Jan. 7, 2019

Lois sent this note last evening (Sunday) and I will add something she sent today also.

Greetings- Please ask people to pray. I have had that awful cold/flu for about three weeks. I thought I was better but last night I coughed terribly. I leave for the US in two days and am finding it difficult to get packed. How will I travel thirty-six hours with very little sleep? I need a miracle. Also please pray that I can get through the checkpoints with all our medicine and that I can keep the insulin cold. God bless- Lois

Added today- It is Monday night. We leave for the airport about noon tomorrow. Will fly to CA but that includes 26+ hours in the air plus 17+ hours of layovers. I am coming with Shad and Fitz so they need prayer also.

From Sue: If your receipts are a bit slow this month it is because I have been very sick and the mail has been slow. If you need a record of giving for your tax contributions, check the last donation receipt you received and that will have the giving to date. Or, send me a note at suegravino@gmail.com and I will send you a copy of that last receipt.

Happy New Year! Blessings- Sue
